

# ODW - Open-Frame Display Watertank Installation

BANNER SIZE: ODW-31: 31.5" by 70" wide and ODW-47: 47" to 78.5" tall

1. Banner must have a grommet in each corner and fall within the size range listed above. Banner should be made to allow for wind flow.
2. Place Pole Supports through the holes in the Base and secure them on the bottom with Support Caps.
3. Find the 2 Poles with Spring Hook Attach Points and put the Support Sleeve on the bottom. Slide the Pole into the Pole Support and tighten the Sleeve. Do NOT over tighten the Sleeve.
4. Plug the 2 upper Poles onto the lower Poles. Then attach the top curved Pole to the 2 upper Poles.
5. Attach the 4 Spring Hooks to the Poles.
6. Attach the banner to the top Spring Hooks first and then the bottom Hooks.
7. Fill the Base with water or dry sand for outdoor use.
